Give As You Receive This Christmas with Angel Stars

With Christmas accused of becoming ever more commercial, the Angel Stars concept, www.angelstars.co.uk, offers a refreshing return to its more traditional meaning - the importance of giving as well as receiving. This year you can give whilst also receiving when you buy an Angel Star. These magical, collectable angel play dolls and action figures are designed to inspire the imagination of any child and capture what the festive season should mean with the knowledge that your purchase is also helping a child in need through the donation of a Cherub Star.

The loveable Cherub Stars are cute, cuddly, soft-bodied gifts of anonymous love, which are the charitable heart of the Angel Stars concept and are given to a child in need each time an Angel Star doll is bought. The gift of a Cherub Star lets a child know that someone somewhere cares and is thinking about them at this festive time. The Cherub Stars are already putting smiles on the faces of children through numerous charities, including Shelter's 'Homeless to Home' project in Bristol, Children's Cancer Care and Kirkwood Hospice.

An online internet community (www.angelstars.co.uk) has also been established allowing you to follow the Cherub Stars on their travels to the children you are helping so that you can see where your charitable donations are going. With stories, features and interactive games, the Angel Stars' website enables you to become part of the growing Angel Stars family as well as providing an on-line ordering facility from where all the Angel Stars can be purchased.

Note to editors

The Angel Stars are...

...a range of four angel dolls and action figures, two male and two female, designed with articulated joints and dressed in glorious angel finery with wings. Measuring approximately 9 ½ inches in height and robustly made for genuine playability, each doll has unique hand mudras (ancient yogic hand positions) and an accessory that defines their individual character. Attractively packaged, with their own original, colourfully illustrated storybook, they are equally desirable as collectables or toys.
